

Quality Policy

Fire Delay Contractors Ltd. (The Company) is located in Hutton, Essex and provides services to a broad range of sectors as identified within the Company scope of business; that is ...

“The Installation and survey of all Forms of Passive Fire Protection including fire doors; specialist contractors in the application of Sprayed and Boarded Passive Fire Protection Systems, Fire Stopping, Sprayed Acoustic and Thermal Treatments and Structural Insulation Boards”

... to customers throughout the UK and is committed to an ongoing policy to ensure that it involves meeting and surpassing the customer’s expectations and operational needs through interpreting the client’s brief and requirements.

The Company has established an Integrated Management System (IMS) which meets the requirements of EN ISO 9001:2015 (Quality Management Systems), EN ISO 14001:2015 (Environmental Management Systems) & BS ISO 45001:2018 (Occupational Health & Safety Management Systems).

It is the responsibility of every employee to ensure that our services meet the quality criteria set by the Company. The Company supports a culture that values the highest quality performance with every function having the objective of quality in mind. The Company aims to support these commitments by the use of the Integrated Management System which will be reviewed to assess its effectiveness and opportunities for continual improvement by ensuring:

- The service provided conforms to agreed customers' requirements including compliance with legal and other requirements.
- The services / products provided to our customers are on time, fault free and as required at a competitive cost.
- The IMS and Policies are subject to on-going review via the formal Management Review Process to ensure they continue to be effective and suitable for the company business needs.
- Quality objectives and targets are set, reviewed including associated risks (risk register) and progressed via the formal management review process. These objectives are clearly communicated to all employees so that they may participate in their achievement.
- The Company Management Team are committed to provide the resources necessary to fulfil its contractual, statutory and regulatory requirements, working in partnership with clients and suppliers to achieve continual improvement in the level of service / product provided. The Company prides itself on being able to provide flexible solutions to clients' requirements.

The Company has a policy of continual improvement to its Integrated Management System (IMS) including its services / products and customer focus, ensuring that we understand the customer’s needs, both now and for the future and by: -

- Maintaining an IMS which conforms to EN ISO 9001:2015, EN ISO 14001:2015 and BS ISO 45001:2018.
- Attending to our clients’ needs and requirements, then develop those objectives and integrate them into the review process.
- Continually improving customer satisfaction.
- Enabling our people to formulate solutions that meet and surpass our clients’ expectations
- Promotion of equal opportunities and nurture of innovation
- Continually developing the communication between staff and customers, interested parties and ensuring that all employees are suitably trained and resourced to support the needs of the business.
- All new and existing personnel and persons working on behalf of the Company being made aware of the Quality Policy by internal communication (e.g. displayed within the company workplace), on-going training and Induction.
- Making this Quality Policy available to the public and other relevant interested parties either electronically via the web site and / or via hard copy issued on request.

The top Management of the Company have given the Management Representative (IMS Manager) full authority to carry out the Quality Policy of the Company and all Company personnel are required to co-operate with the Management Representative in carrying out this task.

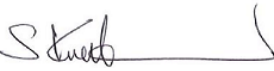

Quality Policy

The Quality Policy is supported by systems and processes that are aligned and meets the requirements of EN ISO 9001:2015 and is communicated to all employees, sub-contractors and other personnel working on behalf of the Company.

This policy is a strategic business tool and supports the corporate philosophy to provide a quality, innovative, compliant and sustainable service to the sectors in which the company operates.

This Quality Policy is approved by the undersigned and is the authoritative document relating to the Quality Management within the Company.
